

Berries, Nuts, and Seeds!

Oh My!

Inspired by *A Fair Bear Share* by Stuart J. Murphy

This is a game for 2 to 4 players.

Goal: Collect 50 berries, 50 nuts, and 50 seeds while traveling around the game board.

You will need:

- The Berries, Nuts, and Seeds game board
- One dice
- A set of Berry, Nut, and Seed cards
- Game markers: one for each player

How to play:

- Roll to see who goes first; the highest roll goes first.
- On their turn, a player rolls the dice and moves their marker that many spaces on the board. If the player lands on a space with a pie, they pick up a card. Their turn is over if they land on a space with no pie.
- The player to the right goes next.
- Throughout the game, each player will sort their cards into their own stacks of Berry cards, Nut cards, and Seed cards. Each player adds the values on the cards and tries to have a total value of 50 or more for each card type.
- The first player to get a total value of 50 or more for each type of card: 50 Berries, 50 Nuts, AND 50 Seeds, wins the game.
