

Tallest Tower

This is a game for 2-4 players.

Goal: To make the tallest tower, the longest tower, or the tower that uses the most blocks.

You will need: Blocks, yardstick (optional)

How to Play: Build a tower out of blocks.

Find out:

- Which tower is the tallest?
- Which tower is the longest?
- Which tower uses the most blocks?
- What does each tower look like?
- Can you re-create another player's tower?
- What happens if you add one more block? Will your tower fall down?
