

# Frogs Are Best!

Inspired by *A Frog in the Bog* by Karma Wilson

This is a game for two people.

**Goal:** Compare number values.

**You will need:**

- Five or more sets of Swamp Cards

**How to play:**

- Deal all of the cards face down into two stacks. Each player gets a stack.
- Each player draws one card at a time and places the card face side up.
- Players compare the two cards. Whoever has the card with the most creatures keeps both cards.
- If the cards have the same number of creatures, each player keeps their own card.
- Continue until there are no more cards in the stack.
- Count to see who has the most cards.
