ALAMEDA

OCT

OCTOBER 6 - 7

LOS ANGELES

OCT

OCTOBER 22 - 23

TEHAMA

NOV

NOVEMBER 9 - 10

RIVERSIDE

Join us for an interactive, engaging, and collaborative event designed to:

- Strengthen your approach to math, science, and computer science
- Connect learning with CA Math and Science Standards and CA PTK Learning Foundations
- Empower ECE leaders and educators with joyful, hands-on strategies
- Registration for each event will open 4-6 weeks prior to the actual event

Gain practical strategies, classroom-ready activities, and a renewed passion for teaching math and science learning.
